*Colgate Swarna Vedshakti Review*  
WEDNESDAY, OCTOBER 04, 2017

India is well known for its tradition and culture, still we keep ourselves updated with modern science without leaving our customs behind. Our country has mastered the art of collaborating past with the present seamlessly. This same concept has been followed to create NEW Colgate Swarna Vedshakti toothpaste. Colgate is well known for their tooth care products for over many decades, they have incorporated traditional oral care ingredients in their new toothpaste so that we could get the "Best of both worlds."

With the help of Ayurvedic expertise, New Colgate Swarna Vedshakti has incorporated some fantastic traditional ingredients like Tulsi, Neem, Aloe vera, Clove, and Honey in their toothpaste. All these ingredients are not only traditional, but they have also been proved to be beneficial scientifically.
